1. Claims 1-19 are allowed.
2. The application having been allowed, formal drawings are required in response to this Office action.
3. Formal drawings are now required and must be filed within the THREE MONTH shortened statutory period set for reply in the "NOTICE OF ALLOWABILITY" (PTOL-37 or PTO-37). Extensions of time may be obtained under the provisions of 37 CFR 1.136(a). Failure to timely submit the drawings will result in **ABANDONMENT** of the application. The drawings should be submitted as a separate paper with a transmittal letter which is addressed to the Official Draftsperson. The art unit number, application number and number of drawing sheets should be written on the reverse side of the drawings.
4. The following is an examiner's statement of reasons for allowance: the prior art of the record fails to teach or fairly suggest in combination with the other limitations and features of the claimed invention regarding claims 1, 15-16 and 18-19 a method for configuring an apparatus for calibrating a semi-empirical process simulator, and a program storage device readable by a machine, to perform a method for configuring an apparatus for calibrating a semi-empirical process simulator comprising deriving a set of test conditions for which a profile evolution is governed only by a limited number of parameters; selecting a plurality of test values for each said set of test conditions; subjecting a test substrate to a test process defined by said plurality of test

values thereby creating test surface profile; generating an approximate profile from said plurality of test values; adjusting said plurality of test values to minimize a discrepancy between said test surface profile and said approximate profile prediction, thereby solving for said limited number of parameters; and repeating said selecting, subjecting, generating and adjusting for another said set of test conditions until said plurality of parameters is determined thereby providing a final model of said profile evolution in terms said plurality of parameters.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
